

'Rethink Social Value' Speakers

David Wise, Associate Director

David specialises in a wide range of housing, from general needs to bespoke, supported accommodation. His broad experience in project delivery from feasibility through to completion, and his skills, knowledge and creative approach, add value from the outset. David understands client aspirations and end user needs and brings innovative design solutions to improve people's everyday lives and deliver true value for the client and the wider community, putting social value at the heart of each project.
